## COLLECTION OF BULKY ITEMS FOR RESIDENTS

To enhance the free bulk waste collection service currently available to residents over the age of 65, the council will now offer this service to all residents.

The new service will allow the disposal of unwanted large household items, including fridges, freezers, washing machines, wardrobes and mattresses.

If you require a collection please visit [www.hillingdon.gov.uk/specialcollections](http://www.hillingdon.gov.uk/specialcollections) and the council will provide you with a collection date. Alternatively call 01895 556000 if you do not have internet access.

**Cllr Roy Chamdal** said, "The collection and disposal of such bulky items will be a great enhancement to our rubbish and recycling service that residents in Brunel ward value. I hope that local residents will be able to benefit from this free service that we will be offering to keep our area tidy."

## GRANTS BENEFIT LOCAL COMMUNITY

Recent awards of our ward budget have gone to Hillingdon Manor Cricket Club and St John's Church in Royal Lane.

**Cllr Richard Mills** said, "The latest grants we have given have been really useful for two thriving local groups. We are delighted that Hillingdon Manor Cricket Club are able to make renovations to their Pavilion and Clubhouse, and that St John's Church can make improvements to their churchyard, including the cutting back of some very large trees."

If you are a local group or organisation that could benefit from one of our grants, please get in contact with us.

## UXBRIDGE POLICE STATION UPDATE

You'll have read in our last newsletter in January, that despite much local opposition from residents and Hillingdon Conservatives, **Labour's Mayor of London, Sadiq Khan**, took a decision to close Uxbridge Police Station in December 2017.

**Conservative Hillingdon Council** have offered to buy Uxbridge Police Station for £4.5m from the Mayor's Office for Policing and Crime and to pay half of the running costs for the next 5 years to ensure that proper facilities are available for our Hillingdon Police Officers.

We are awaiting a response from the Mayor to our proposal.

## NEW CCTV IMPROVES LOCAL SAFETY

Following our requests, a mobile CCTV camera has now been installed on Haig Road by the entrance to Connaught Recreation Ground.

**Cllr Brian Stead** said, "We have worked closely with the local resident association and our safer neighbourhood police team to improve the safety of all residents who want to use the park for its correct purpose. This camera should also act as a deterrent to anyone looking to commit anti-social behaviour."
