SCHOOL PLACES FOR HILLINGDON CHILDREN

Many of our residents with young children have expressed their relief and thanked us for the number of available places at local primary schools for their children. Conservative Hillingdon Council has the largest Primary School expansion programme in London.

In Hillingdon we took pro-active steps to ensure there was a local school place available for our young people near their home, which is vitally important to many local families.

By undertaking the largest primary school expansion programme in London, and making additional places available. We have made sure that local children can go to local schools and get the best possible start to their educational career.

MORE ROADS AND PAVEMENTS TO BE RESURFACED IN CHARVILLE

CLLR. NEIL FYFE

Conservative controlled Hillingdon Council continues its investments into roads and pavements as promised at the last election.

A record £10 million will have been spent in this financial year on roads and pavements across the Borough.

Charville Ward has already seen many of its roads resurfaced and over the coming months Mansfield Drive and Percy Gardens will be too.

It's also good news for pavements in Charville Ward with Mansfield Drive, Fredora Avenue, Kendal Close and Ullswater Close all being improved during the next few months.
