## EASTCOTE TOWN CENTRE IMPROVEMENTS

Work is now well under way on the £1.3 million Town Centre Improvement Scheme in Field End Road, Eastcote. The old pavements are being replaced and more street lighting installed, plus there will be plenty of benches and bins. New trees and ground level plants will be grown in the planters. At the same time, grants have been awarded to 26 shops to improve their shop fronts and signage. Some have already been installed, like Premier Floors, shown right. Pictured in front of the shop is our In Touch team, left to right Councillors *Becky Hagggar, Catherine Dann, Ian Edwards, and Nick Denys.*

**Nick Denys said,** "I'm delighted that the Council continues to invest money in improving our town centres. They are a vital part of our community. This investment will help our high street to thrive and support local businesses."

## BEST GREEN SPACES IN THE COUNTRY

Hillingdon Council has been awarded an outstanding 47 Green Flags, making it the local Authority with the highest number of top-quality parks and green spaces in the UK for the fifth year running.

In Eastcote and East Ruislip, work in our green spaces includes a water fountain by the King's Café, a dipping platform in Pinn Meadows drainage pool, and a re-surfaced gable end at Manor Farm House.

**Becky Hagggar, said,** "Eastcote and East Ruislip has some of the most beautiful green spaces in London. I'm pleased that we will continue to maintain and celebrate these important local landmarks."

## SCHOOL PLACES FOR HILLINGDON CHILDREN

Many local parents have expressed their relief and thanks to us at the number of available places at local primary schools for their children. Work has begun on a new two storey building to double the size of Warrender Primary School, part of Hillingdon's £260 million school places expansion scheme.

**New member of the Eastcote team, Ian Edwards said,** "By undertaking the largest primary school expansion programme in London, and making additional places available, Hillingdon Conservatives have made sure that local Hillingdon children get the best possible start to their education."

## CATHERINE DANN "THANK YOU"

Cllr Catherine Dann has announced that she will be retiring as a Councillor for Eastcote and East Ruislip Ward in May. Catherine has served as a Councillor in Eastcote for 28 years, and is well known and respected throughout the area, especially for her support for local organisations. She served as Mayor of Hillingdon on three separate occasions. We thank her for her service to the community, and wish her well for the future.
