RECORD NUMBER OF ROADS AND FOOTPATHS RESURFACED ACROSS HILLINGDON EAST

*A united team: Wayne, Pat and Alan working alongside
Leader of the Council, Ray Puddifoot MBE*

■ In 2014, Wayne, Alan and Pat pledged that if elected they would use their influence over the next four years to secure further investment across Hillingdon East. Since then a record number of roads and footpaths have been resurfaced thanks to lobbying from your local Councillors.

On 3rd May, residents will go to the Polls to decide who will represent them over the next four years on Hillingdon Council.

With most Councils across the Country cutting back on front line services, Hillingdon East residents need local representatives that get things done and an administration that is both financially sound and committed to put residents first - no matter what the political colour of the Government nationally.
