Cllr Duncan Flynn said, "While neighbouring Labour councils are failing to invest in their roads and pavements, Hillingdon is committed to an on going programme of road and pavement resurfacing to benefit residents. This can only be achieved through the sound financial management of the Conservative-run administration".

CCTV CAMERA ERECTED TO COMBAT FLY TIPPING

Hillingdon Council have erected a CCTV camera in Tolcarne Drive to help combat concerns from residents around fly tipping in the area. The camera will be able to identify those who are illegally engaged in fly tipping activity.

Cllr John Morgan stated: "Keeping our streets clean and tidy is a major priority for Hillingdon Conservatives. As ward councillors we were able to use our influence to get the new CCTV camera installed.
