PUTTING HILLINGDON RESIDENTS FIRST

A message from Cllr Ray Puddifoot MBE

Now recognised as one of the best councils in the country, Hillingdon Council is financially stable and well managed. No one of any political colour can deny this if they are honest.

It is our ability to ensure sound financial management and good business practice in the running of the council that sets us apart, as we continue to freeze Council Tax and at the same time increase investment in our schools, libraries, leisure facilities roads and parks and open spaces.

In local government there still remain tough financial challenges ahead of us and there is simply no other political party in Hillingdon that comes close to our track record for financial management and the delivery of services and facilities that our residents tell us are important to them.

It has never been more important than now to have hands on strong leadership and sound financial management ability running Hillingdon Council which is why it is essential that a proven Conservative Administration is returned at the local elections on 3rd May.

CONSERVATIVE HILLINGDON FREEZES COUNCIL TAX AGAIN

■ Ten year Council Tax Freeze for all ■ Twelve Year Council Tax Freeze for Over 65s

Hillingdon Council has once again, due to the SOUND FINANCIAL MANAGEMENT of the Conservative Administration, bucked the national trend by announcing that it will again freeze Council Tax and not raise a Social Care Precept.

Fees and charges will remain at least 10% lower than

those charged by neighbouring boroughs. There will also be a multi million pound investment programme to improve both services and facilities.

Over the past 10 years the Council Tax freeze has saved each household £2,200 (£1,100 in the last 3 years alone). For a household with a resident over 65 since 2006 the saving amounts to £2,800.
