## COLLECTION OF BULKY ITEMS FOR RESIDENTS

To enhance the free bulk waste collection service currently available to residents over the age of 65 the council will now offer this service to all residents.

The new service will allow the disposal of unwanted large household items, including fridges, freezers, washing machines, wardrobes and mattresses.

If you require a collection please visit [www.hillingdon.gov.uk/specialcollections](http://www.hillingdon.gov.uk/specialcollections). and the council will provide you with a collection date. Alternatively call 01895 556000 if you do not have internet access.

Cllr John Riley said, "The collection and disposal of such bulk items is very costly for local residents and these changes will ensure value for money and enable all residents to benefit from the free service on offer."

## RECORD NUMBER OF ROADS RESURFACED

In spite of continued reductions in central government funding, Conservative run Hillingdon has maintained its commitment to the road resurfacing programme with many more roads having been resurfaced.

Cllr Philp Corthorne, seen here with Cllr Riley in recently resurfaced Wood Lane commented, "Ensuring residential roads are brought up to standard shows that not only is Conservative Hillingdon putting residents first, but as your ward councillors we are able to influence the decision makers ensuring that West Ruislip benefits from this programme."

## ACTION: RUISLIP LIDO CAR PARK

Residents will have noticed the new look main car park and the new road layout leading up to the car parks at the Lido. The new configuration is a great improvement on the old design with pedestrian crossings, additional lighting and better access into the car parks. The new parking payment regime is present in both car parks ensuring Hillingdon residents can use their Hillingdon First card to benefit from free parking.

Devi Radia said, "Since joining the West Ruislip Action Team I have spoken to a number of residents about traffic and parking challenges at peak times. These changes have been well received".
